**Item 1.01 Entry into a Material Definitive Agreement.*****Bridge Loan Financing from Hampshire MedTech Partners, II, L.P.***

On November 6, 2014 Amedica Corporation (the “Company”) and its subsidiary entered into a Loan and Security Agreement (the “Loan and Security Agreement”) with Hampshire MedTech Partners II, L.P., as lender (the “Bridge Lender”). The Loan and Security Agreement provides for the issuance of a \$1 million bridge loan to the Company with a maturity date being the earlier of (a) the third business day following the closing of a qualified secondary offering by the Company and (b) December 17, 2014 (the “Maturity Date”). A “qualified secondary offering” means a public offering for the Company’s own account pursuant to a registered public offering of the Company’s common stock with gross proceeds to the Company of at least \$10 million.

The obligations of the Company under the bridge loan are secured by substantially all of the assets of the Company and its subsidiary, and this security is subordinate to the security previously granted to the Company’s senior secured lender, Hercules Technology III, LP, an affiliate of Hercules Technology Growth Capital, Inc. (“Hercules Technology”). The bridge loan may be paid, in whole or in part, before the Maturity Date without any premium payments or penalty charges. Proceeds of the bridge loan will be used for general corporate purposes.

The bridge loan bears interest at the rate of 15% per annum. Interest on the bridge loan accrues from the date of the Loan and Security Agreement, but interest is not payable until the Maturity Date. The entire principal amount of the bridge loan, and all accrued and then unpaid interest, are due and payable on the Maturity Date. The Company is obligated to pay the Bridge Lender a \$75,000 commitment fee by no later than the Maturity Date. The Company also agreed to reimburse the Bridge Lender up to \$30,000 of reasonable attorneys’ fees and expenses incurred by the Bridge Lender in connection with the transaction. The Loan and Security Agreement contains representations and warranties, affirmative and negative covenants, and events of default customary for a bridge financings of this nature, including, among other things, limitations on certain other indebtedness, loans and investments, liens, mergers, asset sales and transactions with affiliates, including the application of a default rate of interest equal to the lower of 18% per annum and the maximum rate of interest permitted by applicable law.

In addition, the Company issued a warrant to the Bridge Lender (the “Closing Bridge Warrant”) to purchase up to 267,380 shares of the Company’s common stock, with an exercise price of \$1.87 per share. In the event the Company closes a public offering on or before May 6, 2015 (a “Secondary Offering”) at a price per share of common stock sold to the public that is less than the exercise price of the Closing Bridge Warrant, then the Closing Bridge Warrant exercise price will be reduced to an amount equal to the price per share of common stock sold to the public in the Secondary Offering. The Closing Bridge Warrant is exercisable upon issuance and expires on November 5, 2019.

The Loan and Security Agreement also obligates the Company to issue additional warrants to purchase shares of its common to the Bridge Lender for every thirty (30) day period if any amount remains unpaid under the bridge loan after the Maturity Date (the “Additional Bridge Warrants”). Additional Bridge Warrants, if any, are to be issued by the Company on the first day of each such thirty day period (each such date an “Additional Warrant Issue Date”). The maximum number of shares that may be purchased pursuant to any such Additional Bridge Warrant is determined by dividing the then unpaid amount payable under the bridge loan by the lowest closing price of the Company’s common stock as reported by the NASDAQ Stock Market during the thirty (30) day period immediately preceding the applicable Additional Warrant Issue Date. The exercise price of each Additional Bridge Warrant will also be determined on the applicable Additional Warrant Issue Date, and it will be equal to the lowest closing price of the Company’s common stock as reported by the NASDAQ Stock Market during the thirty (30) day period immediately preceding the applicable Additional Warrant Issue Date. Any such Additional Bridge Warrant will be exercisable upon issuance and will expire on the fifth anniversary following its applicable Additional Warrant Issue Date.

In no event may the Company issue shares of its common stock pursuant to the exercise of the Closing Bridge Warrant and/or any Additional Bridge Warrants in an aggregate amount greater than 19.99% of the number of shares of the Company’s common stock outstanding on the date of the closing of the bridge loan.

In connection with the closing of the bridge loan, Hercules Technology provided a waiver to the Company which allowed the Company to enter into the bridge loan and to perform its obligations under the bridge loan without triggering an event of default under the Company’s existing obligations to Hercules Technology (the “Hercules Technology Waiver”). In addition, the Company and MG Partners II Ltd., an affiliate of Magna, entered into an amendment and waiver (the “Magna Waiver”) that amended the terms of the

---

unsecured senior convertible notes held by Magna and accordingly allowed the Company to enter into the bridge loan, grant a security interest to secure the bridge loan and to perform its obligations under the bridge loan without triggering an event of default under the Company's existing obligations to Magna. Magna also waived all rights it had to participate in the bridge loan as a lender.

The issuance of the Closing Bridge Warrant was, and any Additional Bridge Warrant, if issued, will be, exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), pursuant to the exemption for transactions by an issuer not involving any public offering under Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder.

The foregoing descriptions of the Loan and Security Agreement, the Closing Bridge Warrant, the Additional Bridge Warrants, the Hercules Technology Waiver and the Magna Waiver do not purport to be complete, and are qualified in their entirety by reference to each such document (or form thereof, as applicable), filed as Exhibits 10.1, 4.1, 10.2 and 10.3, respectively, and incorporated herein by reference.

NEITHER THIS WARRANT NOR THE SECURITIES ISSUABLE UPON EXERCISE OF THIS WARRANT HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. SUBJECT TO SECTION 6 BELOW, AND EXCEPT IN COMPLIANCE WITH RULE 144 UNDER SAID ACT, NO SALE OR DISPOSITION MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL FOR HOLDER, SATISFACTORY TO COMPANY, THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE ACT OR RECEIPT OF A NO-ACTION LETTER FROM THE SECURITIES AND EXCHANGE COMMISSION.

## WARRANT TO PURCHASE SHARES OF COMMON STOCK

November 6, 2014

**THIS CERTIFIES THAT**, for value received, Hampshire MedTech Partners II, LP, a Texas limited partnership (“Holder”), is entitled to subscribe for and purchase that certain number of fully paid and nonassessable shares of Common Stock of Amedica Corporation, a Delaware corporation (“Company”), as determined by dividing \$500,000 by the Warrant Price (as hereinafter defined), in all cases subject to the provisions and upon the terms and conditions hereinafter set forth. The exercise price shall be the Warrant Price. This Warrant is being issued pursuant to Section 2.6(a) of that certain Loan and Security Agreement by and between Holder and Company dated November 6, 2014 (the “Loan Agreement”). As used herein, the term “Common Stock” shall mean Company’s presently authorized common stock, \$0.01 par value per share, and any stock into which such shares may hereafter be converted or exchanged and the term “Warrant Shares” shall mean the shares of Common Stock which Holder may acquire pursuant to this Warrant and any other shares of stock into which such shares of Common Stock may hereafter be converted or exchanged.

1. Warrant Price. The “Warrant Price” shall initially be \$1.87 per share, subject to adjustment as provided in Section 7 below.
2. Conditions to Exercise. The purchase right represented by this Warrant may be exercised at any time, or from time to time, in whole or in part during the term commencing on the date hereof and ending at 5:00 P.M. (Central time) on the fifth anniversary following the date of this Warrant (the “Expiration Date”).
3. Method of Exercise or Conversion; Payment; Issuance of Shares; Issuance of New Warrant.
  - (a) Cash Exercise. Subject to Section 2 hereof, the purchase right represented by this Warrant may be exercised by Holder hereof, in whole or in part, by the surrender of the original of this Warrant (together with a duly executed Notice of Exercise in substantially the form attached hereto) at the principal office of Company (as set forth in Section 18 below) and by payment to Company, by certified or bank check, or wire transfer of immediately available funds, of an amount equal to the then applicable Warrant Price per share multiplied by the number of Warrant Shares then being purchased. In the event of any exercise of the rights represented by this Warrant, certificates for the shares of stock so purchased shall be in the name of, and delivered to, Holder hereof, or as such Holder may direct (subject to the terms of transfer contained herein and upon payment by such Holder hereof of any applicable transfer taxes). Such delivery shall be made within 3 business days after exercise of this Warrant and at Company’s expense and, unless this Warrant has been fully exercised or expired, a new Warrant having terms and conditions substantially identical to this Warrant, representing the portion of the Warrant Shares, if any, and with respect to the remaining term of this Warrant with respect to which this Warrant shall not have been exercised, shall also be issued to Holder hereof within 3 business days after exercise of this Warrant. If the Warrant Shares can be issued electronically using the Fast Automated Securities Transfer Program of the Depository Trust Company (or similar program), upon Holder’s request at the time of exercise Company shall issue the Warrant Shares electronically in accordance with Holder’s written instructions delivered to Company in a timely manner.
  - (b) Conversion. In lieu of exercising this Warrant as specified in Section 3(a), Holder may from time to time convert this Warrant, in whole or in part, into Warrant Shares by surrender of the original of this Warrant (together with a duly executed Notice of Exercise in substantially the form attached hereto) at the principal office of Company, in which event Company shall issue to Holder the number of Warrant Shares computed using the following formula:

$$X = \frac{Y(A-B)}{A}$$

---

Where:

X = the number of Warrant Shares to be issued to Holder.

Y = the number of Warrant Shares requested to be purchased under this Warrant (at the date of such calculation).

A = the Fair Market Value of one share of Company's Common Stock (at the date of such calculation).

B = Warrant Price (as adjusted to the date of such calculation).

(c) Fair Market Value. For purposes of this Section 3, Fair Market Value of one share of Company's Common Stock shall mean:

(i) The average of the closing bid and asked prices of Common Stock quoted in the Over-The-Counter Market Summary, or the last reported sale price quoted on the Nasdaq Stock Market or on any other exchange on which Common Stock is listed, whichever is applicable, as published in the Eastern Edition of the Wall Street Journal for the five (5) trading days prior to the date of determination of Fair Market Value, multiplied by the number of shares of Common Stock into which each share of Common Stock is then convertible; or

(ii) In the event of an exercise in connection with a merger, acquisition or other consolidation in which Company is not the surviving entity, the value to be received per share of Common Stock by all holders of Common Stock in such transaction as determined in the reasonable good faith judgment of Company's Board of Directors; or

(iii) In any other instance, the value as determined in the reasonable good faith judgment of Company's Board of Directors.

In the event of Section 3(c)(ii) or 3(c)(iii) above, Company's Board of Directors shall prepare a certificate, to be signed by an authorized officer of Company, setting forth in reasonable detail the basis for and method of determination of the per share Fair Market Value of Common Stock. In the event of Section 3(c)(ii) or 3(c)(iii) above, the Board of Directors will also certify to Holder that this per share Fair Market Value will be applicable to all holders of Company's Common Stock. Such certifications must be made to Holder, in the event of Section 3(c)(ii) above, at least ten (10) business days prior to the proposed effective date of the merger, acquisition or other consolidation, and in the event of Section 3(c)(iii), promptly after Holder requests a determination of the Fair Market Value of Common Stock, but in no event more than 5 business days, which price shall be valid for not less than 3 business days after it is communicated to Holder. In all cases, delivery of the Warrant Shares to be issued on conversion shall be made within 3 business days after exercise of this Warrant and at Company's expense and, unless this Warrant has been fully exercised or expired, a new Warrant having terms and conditions substantially identical to this Warrant, representing the portion of the Warrant Shares, if any, and with respect to the remaining term of this Warrant with respect to which this Warrant shall not have been exercised, shall also be issued to Holder hereof within 3 business days after exercise of this Warrant. If the Warrant Shares can be issued electronically using the Fast Automated Securities Transfer Program of the Depository Trust Company (or similar program), upon Holder's request at the time of exercise Company shall issue the Warrant Shares electronically in accordance with Holder's written instructions delivered to Company in a timely manner.

(d) Automatic Exercise. To the extent this Warrant is not previously exercised, it shall be deemed to have been automatically converted in accordance with Sections 3(b) and 3(c) hereof (even if not surrendered) as of immediately before its expiration, involuntary termination or cancellation (including, without limitation, pursuant to Section 3(e)(ii)) if the then-Fair Market Value of a Warrant Share exceeds the then-Warrant Price, unless Holder notifies Company in writing to the contrary prior to such automatic exercise. The Warrant Shares shall be delivered within 3 business days after such automatic conversion, and if the Warrant Shares can be issued electronically using the Fast Automated Securities Transfer Program of the Depository Trust Company (or similar program), upon Holder's request, Company shall issue the Warrant Shares electronically in accordance with Holder's written instructions delivered to Company in a timely manner.

(e) Treatment of Warrant Upon Acquisition of Company.

(i) Certain Definitions. For the purpose of this Warrant: “Acquisition” means any sale, license, assignment, or other disposition of all or substantially all of the assets of Company, or any reorganization, consolidation, or merger of Company, or sale of outstanding Company securities by holders thereof, where the holders of Company’s securities as of immediately before the transaction beneficially own less than a majority of the outstanding voting securities of the successor or surviving entity as of immediately after the transaction. For purposes of this Section 3(e), “Affiliate” shall mean any person or entity that owns or controls directly or indirectly ten percent (10%) or more of the voting capital stock of Company, any person or entity that controls or is controlled by or is under common control with such persons or entities, and each of such person’s or entity’s officers, directors, joint venturers or partners, as applicable. Company shall provide Holder with written notice of any proposed Acquisition not later than ten (10) business days prior to the closing thereof setting forth the material terms and conditions thereof, and shall provide Holder with copies of the draft transaction agreements and other documents in connection therewith and with such other information respecting such proposed Acquisition as may reasonably be requested by Holder.

(ii) Acquisition for Cash. Holder agrees that, in the event of an Acquisition in which the sole consideration is cash, this Warrant shall be automatically exercised (or terminate) as provided in Section 3(d) on and as of the closing of such Acquisition to the extent not previously exercised.

(iii) Asset Sale. In the event of an Acquisition that is an arms length sale of all or substantially all of Company’s assets (and only its assets) to a third party that is not an Affiliate of Company (a “True Asset Sale”), Holder may either (a) exercise its conversion or purchase right under this Warrant and such exercise will be deemed effective immediately prior to the consummation of such Acquisition, or (b) permit the Warrant to continue until the Expiration Date if Company continues as a going concern following the closing of any such True Asset Sale.

(iv) Assumption of Warrant. Upon the closing of any Acquisition other than as particularly described in Section 3(e)(ii) or 3(e)(iii) above, Company shall, unless Holder requests otherwise, cause the surviving or successor entity to assume this Warrant and the obligations of Company hereunder, and this Warrant shall, from and after such closing, be exercisable for the same class, number and kind of securities, cash and other property as would have been paid for or in respect of the shares issuable (as of immediately prior to such closing) upon exercise in full hereof as if such shares had been issued and outstanding on and as of such closing, at an aggregate Warrant Price equal to the aggregate Warrant Price in effect as of immediately prior to such closing; and subject to further adjustment thereafter from time to time in accordance with the provisions of this Warrant.

(v) Delivery of Consideration. The cash and/or property received in connection with the exercise or conversion of this Warrant as provided in this Subsection 3(e) shall be delivered to Holder promptly, but in no event longer than 3 business days after the closing of the Acquisition.

(f) NASDAQ Share Cap. Notwithstanding anything contained herein or in the Loan Agreement or any other agreement or document to which Company is a party in connection with the Loan Agreement (collectively, the “Transaction Documents”) to the contrary, Company shall not issue shares of Common Stock to Holder pursuant to this Warrant, any Additional Warrants (as defined in the Loan Agreement) or any of the other Transaction Documents, including the issuance Warrant Shares, in an aggregate amount in excess of 19.99% of the issued and outstanding Common Stock on November 6, 2014. If and when the aggregate number of shares of Common Stock issuable under this Warrant, any Additional Warrants (as defined in the Loan Agreement) or any of the other Transaction Documents, including the issuance Warrant Shares, shall equal 19.99% of the issued and outstanding Common Stock on November 6, 2014, no additional Warrant Shares, Additional Warrants, or shares of Common Stock pursuant to any of the Transaction Documents shall be thereafter be issued to Holder.

#### 4. Representations and Warranties of Holder and Company.

(a) Representations and Warranties by Holder. Holder represents and warrants to Company as of the date hereof with respect to this Warrant as follows:

(i) Evaluation. Holder has substantial experience in evaluating and investing in private placement transactions of securities of companies similar to Company so that Holder is capable of evaluating the merits and risks of its investment in Company and has the capacity to protect its interests.

(ii) Resale. Except for transfers to an affiliate of Holder, Holder is acquiring this Warrant and the Warrant Shares issuable upon exercise of this Warrant (collectively the “Securities”) for investment for its own account and not with a view to, or for resale in connection with, any distribution thereof. Holder understands that the Securities have not been registered by reason of a specific exemption from the registration provisions of the Securities Act of 1933, as amended (the “Act”) and such Securities have not been registered or qualified under any applicable state securities laws, each of which depends upon, among other things, the bona fide nature of the investment intent as expressed herein.

(iii) Rule 144. Holder acknowledges that the Securities must be held indefinitely unless subsequently registered under the Act or an exemption from such registration is available. Holder is aware and understands the import and implications of the provisions of Rule 144 promulgated under the Act.

(iv) Accredited Investor. Holder is an “accredited investor” within the meaning of Rule 501 of Regulation D promulgated under the Act.

(v) Opportunity To Discuss. Holder has had an opportunity to discuss Company’s business, management and financial affairs with its management and an opportunity to review Company’s facilities. Holder understands that such discussions, as well as the written information issued by Company, were intended to describe the aspects of Company’s business and prospects which Company believes to be material but were not necessarily a thorough or exhaustive description.

(b) Representations and Warranties by Company. Company hereby represents and warrants to Holder that the statements in the following paragraphs of this Section 4(b) are true and correct as of the date hereof.

(i) Corporate Organization and Authority. Company (a) is a corporation duly organized, validly existing, and in good standing under the laws of the jurisdiction of its organization, (b) has the corporate power and authority to own and operate its properties and to carry on its business as now conducted and as proposed to be conducted; and (c) is qualified as a foreign corporation in all jurisdictions where such qualification is required.

(ii) Corporate Power. Company has all requisite legal and corporate power and authority to execute, issue and deliver this Warrant, to issue the Warrant Shares issuable upon exercise or conversion of this Warrant, and to carry out and perform its obligations under this Warrant and any related agreements.

(iii) Authorization; Enforceability. All corporate action on the part of Company, its officers, directors and shareholders necessary for the authorization, execution, delivery and performance of its obligations under this Warrant and for the authorization, issuance and delivery of this Warrant and the Warrant Shares issuable upon exercise of this Warrant has been taken and this Warrant constitutes the legally binding and valid obligation of Company enforceable in accordance with its terms.

(iv) Valid Issuance of Warrant and Warrant Shares. This Warrant has been validly issued and is free of restrictions on transfer other than restrictions on transfer set forth herein and under applicable state and federal securities laws. The Warrant Shares issuable upon exercise or conversion of this Warrant, when issued, sold and delivered in accordance with the terms of this Warrant for the consideration expressed herein, will be duly and validly issued, fully paid and nonassessable, and will be free of restrictions on transfer other than restrictions on transfer under this Warrant and under applicable state and federal securities laws. Subject to applicable restrictions on transfer, the issuance and delivery of this Warrant and the Warrant Shares issuable upon exercise

or conversion of this Warrant are not subject to any preemptive or other similar rights or any liens or encumbrances except as specifically set forth in Company's Certificate of Incorporation ("Certificate of Incorporation") or this Warrant. The offer, sale and issuance of the Warrant Shares, as contemplated by this Warrant, are exempt from the prospectus and registration requirements of applicable United States federal and state security laws, and neither Company nor any authorized agent acting on its behalf has taken or will take any action hereafter that would cause the loss of such exemption.

(v) No Conflict. The execution, delivery, and performance of this Warrant will not result in (a) any violation of, be in conflict with, or constitute a default under, with or without the passage of time or the giving of notice (1) any provision of Company's Certificate of Incorporation or by-laws; (2) any provision of any judgment, decree, or order to which Company is a party, by which it is bound, or to which any of its material assets are subject; (3) any contract, obligation, or commitment to which Company is a party or by which it is bound; or (4) any statute, rule, or governmental regulation applicable to Company, or (b) the creation of any lien, charge or encumbrance upon any assets of Company.

(vi) Capitalization. The capitalization table of Company attached hereto as Annex A is complete and accurate as of the date hereof (without giving effect to the issuance of this Warrant) and reflects (a) all outstanding capital stock of Company and (b) all outstanding warrants, options, conversion privileges, preemptive rights or other rights or agreements to purchase or otherwise acquire or issue any equity securities or convertible securities of Company. Company has reserved a sufficient number of shares of Common Stock for issuance upon exercise of the Warrant.

## 5. Legends.

(a) Legend. If required by the Act, each certificate representing the Warrant Shares shall be endorsed with substantially the following legend:

THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND MAY NOT BE TRANSFERRED (UNLESS SUCH TRANSFER IS TO AN AFFILIATE OF HOLDER) UNLESS COVERED BY AN EFFECTIVE REGISTRATION STATEMENT UNDER SAID ACT, A "NO ACTION" LETTER FROM THE SECURITIES AND EXCHANGE COMMISSION WITH RESPECT TO SUCH TRANSFER, A TRANSFER MEETING THE REQUIREMENTS OF RULE 144 OF THE SECURITIES ACT OF 1933, OR (IF REASONABLY REQUIRED BY COMPANY) AN OPINION OF COUNSEL SATISFACTORY TO THE ISSUER TO THE EFFECT THAT ANY SUCH TRANSFER IS EXEMPT FROM SUCH REGISTRATION.

Company need not enter into its stock records a transfer of Warrant Shares unless the conditions specified in the foregoing legend are satisfied. Company may also instruct its transfer agent not to allow the transfer of any of the Warrant Shares unless the conditions specified in the foregoing legend are satisfied.

(b) Removal of Legend and Transfer Restrictions. The legend relating to the Act endorsed on a certificate pursuant to paragraph 5(a) of this Warrant shall be removed and Company shall issue a certificate without such legend to Holder if (i) the Securities are registered under the Act and a prospectus meeting the requirements of Section 10 of the Act is available or (ii) Holder provides to Company an opinion of counsel for Holder reasonably satisfactory to Company, a no-action letter or interpretive opinion of the staff of the United States Securities and Exchange Commission (the "SEC") reasonably satisfactory to Company, or other evidence reasonably satisfactory to Company, to the effect that public sale, transfer or assignment of the Securities may be made without registration and without compliance with any restriction such as Rule 144. If certificates representing the Warrant Shares can be issued electronically using Fast Automated Securities Transfer Program of the Depository Trust Company, on request of Holder, Company shall issue the Warrant Shares electronically as Holder requests.

6. Transfers of Warrant. In connection with any transfer by Holder of this Warrant, Company may require the transferee to provide Company with written representations and warranties that transferee is acquiring this Warrant and the shares of Common Stock to be issued upon exercise in compliance with the Act, and may require a legal opinion, in form and substance satisfactory to Company and its counsel, stating that such transfer is exempt from the registration and prospectus delivery requirements of the Act

---

and any applicable state securities laws; provided, that Company shall not require an opinion of counsel if the transfer is to an affiliate of Holder. Following any transfer of this Warrant, at the request of either Company or the transferee, the transferee shall surrender this Warrant to Company in exchange for a new warrant of like tenor and date, executed by Company. Upon any partial transfer, Company will also execute and deliver to Holder a new warrant of like tenor with respect to the portion of this Warrant not so transferred. Subject to the foregoing, this Warrant is transferable on the books of Company at its principal office by the registered Holder hereof upon surrender of this Warrant properly endorsed.

7. Adjustment for Certain Events. The number and kind of securities purchasable upon the exercise of this Warrant and the Warrant Price shall be subject to adjustment from time to time upon the occurrence of certain events, as follows:

(a) Reclassification or Merger. In case of (i) any reclassification or change of securities of the class issuable upon exercise of this Warrant (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination), (ii) any merger of Company with or into another corporation (other than a merger with another corporation in which Company is the acquiring and the surviving corporation and which does not result in any reclassification or change of outstanding securities issuable upon exercise of this Warrant), or (iii) any sale of all or substantially all of the assets of Company, Company, or such successor or purchasing corporation, as the case may be, shall duly execute and deliver to Holder a new Warrant (in form and substance satisfactory to Holder of this Warrant), or Company shall make appropriate provision without the issuance of a new Warrant, so that Holder shall have the right to receive, at a total purchase price not to exceed that payable upon the exercise of the unexercised portion of this Warrant, and in lieu of the Warrant Shares theretofore issuable upon exercise or conversion of this Warrant, the kind and amount of shares of stock, other securities, money and property receivable upon such reclassification, change, merger or sale by a holder of the number of shares of Common Stock then purchasable under this Warrant, or in the case of such a merger or sale in which the consideration paid consists all or in part of assets other than securities of the successor or purchasing corporation, at the option of Holder, the securities of the successor or purchasing corporation having a value at the time of the transaction equivalent to the value of the Warrant Shares purchasable upon exercise of this Warrant at the time of the transaction. Any new Warrant shall provide for adjustments that shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 7. The provisions of this subparagraph (a) shall similarly apply to successive reclassifications, changes, mergers and transfers.

(b) Subdivision or Combination of Shares. If Company at any time while this Warrant remains outstanding and unexpired shall subdivide or combine its outstanding shares of Common Stock, the Warrant Price shall be proportionately decreased and the number of Warrant Shares issuable hereunder shall be proportionately increased in the case of a subdivision and the Warrant Price shall be proportionately increased and the number of Warrant Shares issuable hereunder shall be proportionately decreased in the case of a combination.

(c) Stock Dividends and Other Distributions. If Company at any time while this Warrant is outstanding and unexpired shall (i) pay a dividend with respect to Common Stock payable in Common Stock, then the Warrant Price shall be adjusted, from and after the date of determination of shareholders entitled to receive such dividend or distribution, to that price determined by multiplying the Warrant Price in effect immediately prior to such date of determination by a fraction (A) the numerator of which shall be the total number of shares of Common Stock outstanding immediately prior to such dividend or distribution, and (B) the denominator of which shall be the total number of shares of Common Stock outstanding immediately after such dividend or distribution; or (ii) make any other distribution with respect to Common Stock (except any distribution specifically provided for in Sections 7(a) and 7(b)), then, in each such case, provision shall be made by Company such that Holder shall receive upon exercise of this Warrant a proportionate share of any such dividend or distribution as though it were Holder of the Warrant Shares as of the record date fixed for the determination of the shareholders of Company entitled to receive such dividend or distribution.

(d) Adjustment of Number of Shares. Upon each adjustment in the Warrant Price, the number of Warrant Shares purchasable hereunder shall be adjusted, to the nearest whole share, to the product obtained by multiplying the number of Warrant Shares purchasable immediately prior to such adjustment in the Warrant Price by a fraction, the numerator of which shall be the Warrant Price immediately prior to such adjustment and the denominator of which shall be the Warrant Price immediately thereafter.

(e) Pay-to-Play Transaction. In the event that Company's Certificate of Incorporation provides, or is amended to so provide, for the amendment or modification of the rights, preferences or privileges of Common Stock, or the

---

reclassification, conversion or exchange of Common Stock, on account of the failure of a holder of Common Stock to participate in an equity financing transaction (a "Pay-to-Play Provision"), such Pay-to-Play Provision shall not apply to the Holder and this Warrant shall remain exercisable for the same number and type of shares of equity securities for which it was exercisable immediately prior to such equity financing transaction.

(f) Price Protection. If after the date hereof but on or before May 6, 2015, Company (i) sells or issues Common Stock to the public for its own account pursuant to a registered public offering of Common Stock (a "Secondary Offering") at a per share price less than the then current Warrant Price, or (ii) sells or issues options, warrants, rights, units or securities convertible into or exchangeable for Common Stock pursuant to a Secondary Offering at an exercise or conversion price per share less than the then current Warrant Price, then the Warrant Price shall automatically adjust to such lower price per share, provided, however, that the sale or issuance of Common Stock, or options, warrants, restricted stock units or other equity compensation awards or programs involving the issuance of Common Stock (A) to directors, employees or consultants pursuant to a board and stockholder approved equity incentive plan or (B) to sale agents or distributors shall not be considered a sale or issuance of or involving Common Stock for the purposes of this Section 7(g).

8. Notice of Adjustments; Redemption. Whenever any Warrant Price or the kind or number of securities issuable under this Warrant shall be adjusted pursuant to Section 7 hereof, Company shall prepare a certificate signed by an officer of Company setting forth, in reasonable detail, the event requiring the adjustment, the amount of the adjustment, the method by which such adjustment was calculated, and the Warrant Price and number or kind of shares issuable upon exercise of this Warrant after giving effect to such adjustment, and within thirty (30) days of such adjustment shall cause copies of such certificate to be delivered to Holder in accordance with Section 18 hereof.

9. Financial and Other Reports.

(a) Financial Statements. From time to time up to the earlier of the Expiration Date or the complete exercise of this Warrant, during any time when Company does not have outstanding a class of securities registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), Company shall furnish to Holder, (i) as soon as available and in any event within 30 days after the end of each fiscal month, unaudited consolidated (and if available, consolidating) balance sheets, statements of income or operations and cash flow statements of Company and its Subsidiaries as of the end of such fiscal month and that portion of the fiscal year ending as of the close of such fiscal month, in a form acceptable to Holder and certified by Company's president, chief executive officer or chief financial officer, (ii) as soon as available and in any event within 45 days after the end of each fiscal quarter, unaudited consolidated (and if available, consolidating) balance sheets, statements of income or operations and cash flow statements of Company and its Subsidiaries as of the end of such fiscal quarter and that portion of the fiscal year ending as of the close of such fiscal quarter, in a form acceptable to Holder and certified by Company's president, chief executive officer or chief financial officer and (iii) as soon as available and in any event within ninety (90) days after the end of each fiscal year, audited consolidated (and if available, consolidating) balance sheets, statements of income or operations and cash flow statements of Company and its Subsidiaries as of the end of such fiscal year, together with a report of an independent certified public accounting firm reasonably acceptable to Holder, which report shall contain an unqualified opinion stating that such audited financial statements fairly present in all material respects the financial position of Company and its Subsidiaries for the periods indicated therein in conformity with GAAP applied on a basis consistent with prior years without qualification as to the scope of the audit or as to going concern and without any similar qualification. All such financial statements are to be prepared using GAAP (subject, in the case of unaudited financial statements, to the absence of footnotes and normal year end audit adjustments).

(b) Capitalization Table. From time to time up to the earlier of the Expiration Date or the complete exercise of this Warrant, during any time when Company does not have outstanding a class of securities registered under the Exchange Act, Company shall furnish to Holder, within 30 days of the end of each calendar quarter, an updated capitalization table of Company.

(c) Additional Documents. Company shall supply documentation Holder requests in writing to evaluate whether to exercise (in cash or a net issuance basis) this Warrant, including without limitation, (i) any merger/purchase/asset sale agreement and related documents and estimated payout allocations to each of the respective stockholders, warrant and option holders in connection with an Acquisition, (ii) the most recent capitalization tables, 409A valuations (if any), and board determination of share value (including any waterfall or per share allocations provided to the equity interest

---

holders), and (iii) most recent certificate of incorporation or organizational documentation, provided that Company shall not be obligated to provide any such information if and to the extent it is subject to confidentiality provisions preventing such disclosure or to attorney-client privilege.

10. Rule 144; Registration Rights.

(a) At all times prior to the Expiration Date and thereafter so long as Holder owns any Warrant Shares, Company shall take all actions necessary to cause the Warrant Shares to be tradable without the need for an effective registration statement under the Act pursuant to Rule 144.

(b) If after the date hereof up through the Expiration Date Company files a registration statement under the Act to register the sale of any of its securities, and except with respect to a Secondary Offering that occurs on or before May 6, 2015:

(i) Company shall include in such registration statement the Warrant Shares remaining available under this Warrant together with all Warrant Shares then held by Holder.

(ii) Company shall provide Holder immediate notice of such registration statement having been declared effective, and once effective, Company shall keep such registration statement continuously effective until all Warrant Shares have been sold or can be sold without restriction under Rule 144, provided however, Company may declare "blackout" periods during which resales of the Warrant Shares under the registration statement cannot be made provided that such blackout periods do not exceed twenty (20) trading days for every 12 consecutive month period.

(iii) Not less than ten (10) days prior to filing any such registration statement, Company shall contact Holder to determine the number of Warrant Shares to include in such registration statement. Holder shall have 5 business days to respond. Holder's failure to respond shall constitute a waiver of Holder's right under this Section 10 for the registration statement for which it was contacted if such registration statement is in fact filed with the SEC within thirty (30) days of Company first contacting Holder to determine its number of Warrant Shares to include. Such waiver shall not apply to any subsequent registration statement or if the registration statement is filed after such thirty (30) period, in which case the provisions of this Section 10 shall apply to any such subsequent registration statement.

11. No Fractional Shares. No fractional share of Common Stock will be issued in connection with any exercise or conversion hereunder, but in lieu of such fractional share Company shall make a cash payment therefor upon the basis of the Warrant Price then in effect.

12. Charges, Taxes and Expenses. Issuance of certificates for shares of Common Stock upon the exercise or conversion of this Warrant shall be made without charge to Holder for any United States or state of the United States documentary stamp tax or other incidental expense with respect to the issuance of such certificate, all of which taxes and expenses shall be paid by Company, and such certificates shall be issued in the name of Holder.

13. No Shareholder Rights Until Exercise. Except as expressly provided herein, this Warrant does not entitle Holder to any voting rights or other rights as a shareholder of Company prior to the exercise hereof.

14. Registry of Warrant. Company shall maintain a registry showing the name and address of the registered Holder of this Warrant. This Warrant may be surrendered for exchange or exercise, in accordance with its terms, at such office or agency of Company, and Company and Holder shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

15. Loss, Theft, Destruction or Mutilation of Warrant. Upon receipt by Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and, in the case of loss, theft, or destruction, of indemnity reasonably satisfactory to it, and, if mutilated, upon surrender and cancellation of this Warrant, Company will execute and deliver a new Warrant, having terms and conditions substantially identical to this Warrant, in lieu hereof.

16. Miscellaneous.

(a) Issue Date. The provisions of this Warrant shall be construed and shall be given effect in all respect as if it had been issued and delivered by Company on the date hereof.

(b) Successors. This Warrant shall be binding upon any successors or assigns of Company.

(c) Headings. The headings used in this Warrant are used for convenience only and are not to be considered in construing or interpreting this Warrant.

(d) Saturdays, Sundays, Holidays. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall be a Saturday or a Sunday or shall be a legal holiday in the State of Delaware, then such action may be taken or such right may be exercised on the next succeeding day not a Saturday, Sunday or a legal holiday.

17. No Impairment. Company will not, by amendment of its Certificate of Incorporation or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of Holder hereof against impairment.

18. Addresses. All notices or other communications given in connection with this Warrant shall be in writing, shall be addressed to the parties at their respective addresses set forth below (unless and until a different address may be specified in a written notice to the other party delivered in accordance with this Section 18), and shall be deemed given (a) on the date of receipt if delivered by hand, (b) on the next business day after being sent by a nationally-recognized overnight courier, or (c) on the fourth business day after being sent by registered or certified mail, return receipt requested and postage prepaid.

19. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, excluding conflict of laws principles that would cause the application of laws of any other jurisdiction.

20. Consent to Jurisdiction and Venue. All judicial proceedings arising in or under or related to this Warrant may be brought in any state or federal court of competent jurisdiction located in the State of Utah. By execution and delivery of this Agreement, each party hereto generally and unconditionally: (a) consents to personal jurisdiction in Salt Lake County, State of Utah; (b) waives any objection as to jurisdiction or venue in Salt Lake County, State of Utah; (c) agrees not to assert any defense based on lack of jurisdiction or venue in the aforesaid courts; and (d) irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement. Service of process on any party hereto in any action arising out of or relating to this Agreement shall be effective if given in accordance with the requirements for notice set forth in Section 18, and shall be deemed effective and received as set forth in Section 18. Nothing herein shall affect the right to serve process in any other manner permitted by law or shall limit the right of either party to bring proceedings in the courts of any other jurisdiction.

21. Mutual Waiver of Jury Trial. Because disputes arising in connection with complex financial transactions are most quickly and economically resolved by an experienced and expert person and the parties wish applicable state and federal laws to apply (rather than arbitration rules), the parties desire that their disputes be resolved by a judge applying such applicable laws. EACH OF COMPANY AND HOLDER SPECIFICALLY WAIVES ANY RIGHT IT MAY HAVE TO TRIAL BY JURY OF ANY CAUSE OF ACTION, CLAIM, CROSS-CLAIM, COUNTERCLAIM, THIRD PARTY CLAIM OR ANY OTHER CLAIM (COLLECTIVELY, "CLAIMS") ASSERTED BY COMPANY AGAINST HOLDER OR ITS ASSIGNEE OR BY HOLDER OR

---

ITS ASSIGNEE AGAINST COMPANY. This waiver extends to all such Claims, including Claims that involve Persons other than Company and Holder; Claims that arise out of or are in any way connected to the relationship between Company and Holder; and any Claims for damages, breach of contract, specific performance, or any equitable or legal relief of any kind, arising out of this Agreement.

22. Prejudgment Relief. In the event Claims are to be resolved by arbitration, either party may seek from a court of competent jurisdiction identified in Section 20, any prejudgment order, writ or other relief and have such prejudgment order, writ or other relief enforced to the fullest extent permitted by law notwithstanding that all Claims are otherwise subject to resolution by judicial reference.

CAPITALIZATION TABLE

[SEE ATTACHED]

**LOAN AND SECURITY AGREEMENT**

**THIS LOAN AND SECURITY AGREEMENT**, dated as of November 6, 2014 (as amended, restated, supplemented or otherwise modified from time to time, this "Agreement"), is among Hampshire MedTech Partners II, LP, a Texas limited partnership ("Lender"), Amedica Corporation, a Delaware corporation ("Borrower"), and the other Persons (as defined below), if any, who are or hereafter become parties to this Agreement as guarantors (each a "Guarantor" and collectively, the "Guarantors"), and together with Borrower, each a "Loan Party" and collectively, "Loan Parties").

**Loan Parties and Lender agree as follows:****1. DEFINITIONS.**

1.1 **Defined Terms.** Capitalized terms used herein shall have the meanings set forth in Section 10. All other capitalized terms used but not defined herein shall have the meaning given to such terms in the UCC. Any accounting term used but not defined herein shall be construed in accordance with GAAP and all calculations shall be made in accordance with GAAP. The term "financial statements" shall include the accompanying notes and schedules.

1.2 **Section References.** Any section, subsection, schedule or exhibit references are to this Agreement unless otherwise specified.

**2. THE LOAN.**

2.1 **Loan Commitments.** Subject to the terms and conditions of this Agreement, and in reliance upon the representations and warranties of the Loan Parties contained herein, Lender agrees to make a One Million Dollar (\$1,000,000) loan (the "Loan") in Dollars to Borrower on the Closing Date. Once the Loan is repaid or prepaid, it cannot be reborrowed. The Loan made by Lender is evidenced by this Agreement, and if requested by Lender at anytime, a Note payable to Lender.

**2.2 Interest.**

(a) Loan. The Loan shall accrue interest in arrears from the date made until the Loan is fully repaid at the Loan Interest Rate.

(b) Computation. All computations of interest and fees calculated on a per annum basis shall be made by Lender on the basis of a three hundred sixty (360) day year, in each case for the actual number of days occurring in the period for which such interest and fees are payable. Such method of calculation will result in an effective rate that exceeds the rate stated in this Section. Each determination of an interest rate or the amount of a fee under the Loan Documents shall be made by Lender and shall be conclusive, binding and final for all purposes, absent manifest error.

(c) Default Rate. The Loan and other Obligations shall bear interest from and after the occurrence and during the continuation of an Event of Default at a rate equal to the Default Rate. The application of the Default Rate shall not be interpreted or deemed to extend any cure period or waive any Default or Event of Default or otherwise limit Lender's right or remedies hereunder. All interest payable at the Default Rate shall be payable on demand. In the event any interest is not paid when due hereunder, delinquent interest shall be added to principal and shall bear interest on interest, compounded at the rate set forth in Section 2.2(a) or Section 2.2(d), as applicable

(d) Maximum Lawful Rate. Anything herein or any other Loan Document to the contrary notwithstanding, the obligations of Loan Parties hereunder and thereunder shall be subject to the limitation that payments of interest shall not be required, for any period for which interest is computed hereunder, to the extent (but only to the extent) that contracting for or receiving such payment by Lender would be contrary to the provisions of any Requirement of Law applicable to Lender limiting the highest rate of interest which may be lawfully contracted for, charged or received by Lender, and in such event Loan Parties shall pay Lender interest at the highest rate permitted by applicable Requirements of Law ("Maximum Lawful Rate"); provided, however, that if at any time

---

thereafter the rate of interest payable hereunder or thereunder is less than the Maximum Lawful Rate, Loan Parties shall continue to pay interest hereunder and thereunder at the Maximum Lawful Rate until such time as the total interest received by Lender is equal to the total interest that would have been received had the interest payable hereunder been (but for the operation of this paragraph) the interest rate payable since the making of the Loan as otherwise provided in this Agreement or any other Loan Document.

### **2.3 Payments.**

(a) Balloon Payment. The entire principal balance of the Loan and accrued but unpaid interest shall be due and payable in full on the Maturity Date.

(b) Maturity. All outstanding Obligations are due and payable in full on the earlier of (i) the Maturity Date, (ii) the third business day following the closing of a Qualified Financing, or (iii) the date that the Loans otherwise become due and payable hereunder, whether by acceleration of the Obligations pursuant to Section 8.2 or otherwise.

(c) Method of Payments. All payments (including prepayments) to be made by any Loan Party under any Loan Document shall be made by ACH transfer in immediately available funds (which shall be the exclusive means of payment hereunder) in Dollars, without setoff, recoupment, counterclaim or deduction of any kind. Lender shall provide Borrower with the required ACH instructions for Lender on or before five (5) Business Days prior to the Maturity Date.

(d) Loan Account. Lender shall record on its books and records the amount of the Loan made, the interest rate applicable, all payments of principal and interest thereon and the principal balance thereof from time to time outstanding. Such record shall, absent manifest error, be conclusive evidence of the amount of the Loan made by the Lender to Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of Borrower hereunder (and under the Note) to pay any amount owing with respect to the Loan.

### **2.4 Prepayments and Commitment Terminations.**

(a) Voluntary Prepayments and Commitment Terminations. Borrower may, without premium or penalty, upon five (5) Business Days' prior written notice to Lender, voluntarily prepay the Loan in full, but not in part.

(b) Loan Prepayment Amounts. Upon the date of (i) any voluntary prepayment of the Loan in accordance with Section 2.4(a) or (ii) any mandatory prepayment of the Loan required under this Agreement (whether by acceleration of the Obligations pursuant to Section 8.2 or otherwise), Borrower shall pay to Lender a sum equal to all outstanding principal and all accrued interest thereon and other Obligations with respect to the Loan.

2.5 Lender Fees. On the earliest to occur of (i) the Maturity Date, (ii) the date that Borrower prepays the outstanding Obligations, or (iii) the date that the Obligations become due and payable, Borrower shall pay to Lender a non-refundable end of term fee in an amount equal to \$75,000. Notwithstanding the required payment date of such fee, it shall be deemed fully earned as of the Closing Date regardless of the early termination of this Agreement.

### **2.6 Authorization and Issuance of Warrants; NASDAQ Share Cap**

(a) Initial Warrant. Borrower has duly authorized the issuance to Lender (or its respective Affiliate or designee) of a Warrant (the "Initial Warrant") in the form attached hereto as Exhibit C evidencing Lender's (or its respective Affiliate's or designee's) right to purchase that number of shares of Common Stock of Borrower as set forth in the Initial Warrant (and as such number of shares of Common Stock may be adjusted under certain circumstances in accordance with the terms of the Initial Warrant).

(b) Additional Warrants. If and only if the Borrower fails to pay in full the Obligations on or before the Maturity Date, Borrower shall issue an additional warrant (each an “Additional Warrant”) on the first day (an “Additional Warrant Issue Date”) of each thirty (30) day period following the Maturity Date that any portion of the Obligations remain continue to be unpaid for any day in such thirty (30) day period evidencing Lender’s (or its respective Affiliate’s or designee’s) right to purchase that number of additional shares of Common Stock of Borrower as shall be determined by dividing the portion of the Obligations then unpaid on the close of business on the applicable Additional Warrant Issue Date by the lowest closing price per share of Borrower’s Common Stock as reported by the NASDAQ Stock Market during the thirty (30) day period immediately preceding the applicable Additional Warrant Issue Date, and such Additional Warrant shall have an exercise price per share equal to such lowest closing price per share. Any such Additional Warrant will be exercisable upon issuance and will expire on the fifth anniversary following its applicable Additional Warrant Issue Date and will be in substantially the same form of the Initial Warrant.

(c) Notwithstanding anything contained in this Agreement, the Initial Warrant, any Additional Warrant or any other agreement or document to which Borrower is a party in connection with this Agreement (collectively, the “Transaction Documents”) to the contrary, Borrower shall not issue shares of Common Stock to Lender (or any of its respective Affiliates or designees) pursuant to the Initial Warrant, any Additional Warrants or any of the other Transaction Documents, including the issuance Warrant Shares, in an aggregate amount in excess of 19.99% of the issued and outstanding Common Stock on the date of this Agreement. If and when the aggregate number of shares of Common Stock issuable under the Initial Warrant any Additional Warrants or any of the other Transaction Documents, including the issuance Warrant Shares shall equal 19.99% of the issued and outstanding Common Stock on the date of this Agreement, no Additional Warrants, Warrant Shares or additional shares of Common Stock shall be thereafter be issued to Lender (or any its respective Affiliated or designees).

### 3. CREATION OF SECURITY INTEREST.

3.1 **Grant of Security Interest.** As security for the prompt and complete payment and performance when due, whether at the Maturity Date, by acceleration or otherwise, of all Obligations, and as security for the prompt and complete payment and performance when due by each Guarantor of the Guaranteed Obligations (as defined in the Guaranty), each Loan Party hereby grants to Lender a lien on and security interest in all of its right, title and interest in, to and under the following Property:

(b) any Lien held by Lender against (i) any Collateral that is sold or otherwise disposed of by a Loan Party in a transaction permitted by the Loan Documents (including pursuant to a valid waiver or consent), (ii) any Collateral subject to a Lien that is expressly permitted under clause (d) of the definition of the term "Permitted Lien" and (iii) all of the Collateral and all Loan Parties, upon the Termination Date.

**3.4 Termination of Security Interest.** Upon the Termination Date, (a) Lender's lien on and security interest in the Collateral shall be automatically terminated without delivery of any instrument or performance of any act and (b) at the request of any Loan Party, Lender shall, at the Loan Parties' sole cost and expense and without any recourse, representation or warranty, execute and deliver to such Loan Party such documents as such Loan Party shall reasonably request to evidence such termination.

#### **4. CONDITIONS OF CREDIT EXTENSIONS.**

**4.1 Conditions Precedent to Loan.** Lender shall not be obligated to make the Loan, or to take, fulfill, or perform any other action hereunder, until the following have been delivered to Lender, in form and substance satisfactory to Lender (the date on which Lender makes the Loan, the "Closing Date"):

## 5. REPRESENTATIONS AND WARRANTIES OF LOAN PARTIES.

Each Loan Party, jointly and severally, represents and warrants to Lender that:

**5.1 Due Organization and Authorization.** Each Loan Party's exact legal name is as set forth in the Perfection Certificate, and each Loan Party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization as specified in the Perfection Certificate, has its chief executive office at the location specified in the Perfection Certificate, and is duly qualified and licensed in every jurisdiction wherever necessary to carry on its business and operations, except where the failure to be so qualified and licensed could not reasonably be expected to have a Material Adverse Effect. As of the Closing Date, all information set forth on the Perfection Certificate pertaining to each of the Loan Parties is accurate and complete. This Agreement and the other Loan Documents have been duly authorized, executed and delivered by each Loan Party and constitute the legal, valid and binding obligations of each such Person that is a party thereto, enforceable against such Person in accordance with their respective terms, except as enforceability may be limited by applicable bankruptcy, insolvency, or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability. Each Loan Party has all requisite power and authority to own its assets, carry on its business and execute, deliver and perform its obligations under the Loan Documents to which it is a party.

**5.2 No Conflicts.** The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party will not (a) contravene any of the organizational documents of such Loan Party, (b) violate any material Requirement of Law, (c) require any action by, filing, registration, qualification with, or approval, consent or withholding of objections from, any Governmental Authority or any other Person, except those which have been obtained and are in full force and effect, (d) result in the creation of any Lien on any of such Loan Party's Property (except for Liens in favor of Lender), or (e) result in any breach of or constitute a default under, or permit the termination or acceleration of, any Material Agreement to which such Loan Party is a party. A list of all Material Agreements as of the Closing Date is set forth on Schedule 5.2 hereto. No Loan Party is in default under any agreement to which it is a party or by which it is bound which could reasonably be expected to have a Material Adverse Effect.

**5.3 Litigation.** There are no actions, suits, proceedings or investigations pending (or to the knowledge of any Loan Party, threatened) against any Loan Party or any of its Subsidiaries or their respective properties, which (a) could reasonably be expected to result in monetary judgment(s) or relief, individually or in the aggregate, in excess of \$500,000, (b) seek an injunction or other equitable relief that could reasonably be expected to have a Material Adverse Effect, or (c) affect or pertain to the Loan Documents or any transaction contemplated hereby or thereby.

---

financial statements, to the absence of footnotes and normal year-end audit adjustments) and fairly present in all material respects Borrower's consolidated financial condition and consolidated results of operations. Since the date of the most recent audited financial statements, no event has occurred which has had or could reasonably be expected to have a Material Adverse Effect. There has been no material adverse deviation from the most recent annual operating plan of Borrower delivered to Lender.

(k) (i) any of the chief executive officer, the chief financial officer or the chief technology officer of Borrower shall cease to be involved in the day to day operations (including research development) or management of the business of Borrower, unless a successor of such officer (including an interim replacement) is appointed by the Board of Directors of Borrower and employed within ninety (90) days of such cessation of involvement, and such successor is in compliance with OFAC, money-laundering, anti-terrorism, SEC, drug/device laws and regulations, and other similar regulations (in each case, to the extent applicable to a natural Person), (ii) during any period of twelve consecutive calendar months, individuals who at the beginning of such period constituted the Board of Directors of Borrower (together with any new directors whose election or appointment by the then current members of the Board of Directors of Borrower, or whose nomination for election by the directors then still in office who either were directors at the beginning of such period or whose election or nomination for election was previously so approved was approved by a vote of at least a majority of the Board of Directors of Borrower or by a plurality of votes cast by the stockholders of Borrower) cease for any reason other than death or disability to constitute a majority of the directors then in office; (iii) the acquisition, directly or indirectly, by any Person or group (as such term is used in Section 13(d)(3) of the 1934 Act) of more than thirty-five percent (35%) of the voting Stock of Borrower, or (iv) the occurrence of any "change of control" or any term of similar effect under any Subordinated Indebtedness document;

(l) Any event occurs, that is not insured or insurable, as a result of which revenue-producing activities cease or are substantially curtailed at facilities of any Loan Party generating more than 33% of the Loan Parties' consolidated revenues for the fiscal year preceding such event and such cessation or curtailment continues for more than one hundred twenty (120) days; or

(m) (i) The FDA initiates a Regulatory Action or any other enforcement action against any Loan Party or any supplier of a Loan Party that causes any Loan Party to recall, withdraw, remove or discontinue marketing any of its products; (ii) the FDA issues a warning letter to any Loan Party with respect to any of its activities or products which could reasonably be expected to have a Material Adverse Effect; (iii) any Loan Party conducts a mandatory or voluntary recall which could reasonably be expected to result in liability and expense to the Loan Parties of \$250,000 or more; (iv) any Loan Party enters into a settlement agreement with the FDA that results in aggregate liability as to any single or related series of transactions, incidents or conditions, of \$250,000 or more, or that could reasonably be expected to have a Material Adverse Effect; or (v) the FDA revokes any authorization or permission granted under any Registration, or any Loan Party withdraws any Registration, that could reasonably be expected to have a Material Adverse Effect.

**8.2 Lender Remedies.** Upon the occurrence and during the continuance of any Event of Default, Lender may declare any or all of the Obligations to be immediately due and payable, without demand or notice to any Loan Party, and the accelerated Obligations shall bear interest at the Default Rate, provided that, upon the occurrence of any Event of Default specified in Section 8.1(g), the Obligations shall be automatically accelerated. After the occurrence and during the continuance of an Event of Default, Lender shall have all of the rights and remedies of a secured party under the UCC and under any other applicable Requirement of Law. Without limiting the foregoing, upon the occurrence and during the continuance of an Event of Default, (a) Lender shall, or (b) upon the acceleration of the Obligations pursuant to this Section 8.2, or upon receipt of written request of the Requisite Lenders to exercise remedies generally, Lender may, (w) notify any Account Debtor or any obligor on any instrument which constitutes part of the Collateral to make payments to Lender, (x) with or without legal process,

enter any premises where the Collateral may be and take possession of and remove the Collateral from the premises or store it on the premises, (y) sell the Collateral at public or private sale, in whole or in part, and have the right to bid and purchase at such sale, or (z) lease or otherwise dispose of all or part of the Collateral, applying proceeds from such disposition to the Obligations in accordance with Section 8.3. If requested by Lender, Loan Parties shall promptly assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender may also render any or all of the Collateral unusable at a Loan Party's premises and may dispose of such Collateral on such premises without liability for rent or costs. Any notice that Lender is required to give to a Loan Party under the UCC of the time and place of any public sale or the time after which any private sale or other intended disposition of the Collateral is to be made shall be deemed to constitute reasonable notice if such notice is given in accordance with this Agreement at least ten (10) days prior to such action. Effective only upon the occurrence and during the continuance of an Event of Default, each Loan Party hereby irrevocably appoints Lender (and any of Lender's Related Persons) as such Loan Party's true and lawful attorney to: (i) take any of the actions specified above in this paragraph; (ii) endorse such Loan Party's name on any checks or other forms of payment or security that may come into Lender's possession; (iii) settle and adjust disputes and claims respecting the Accounts directly with Account Debtors, for amounts and upon terms which Lender determines to be reasonable; and (iv) do such other and further acts and deeds in the name of such Loan Party that Lender may deem necessary or desirable to enforce its rights in or to any of the Collateral or to perfect or better perfect Lender's security interest (on behalf of itself and Lenders) in any of the Collateral. For the purpose of enabling Lender to exercise rights and remedies under this Section 8.2 at such time as Lender shall be lawfully entitled to exercise such rights and remedies, each Loan Party hereby grants to Lender, (A) an irrevocable, nonexclusive, worldwide license (exercisable without payment of royalty or other compensation to such Loan Party), to use or sublicense any Intellectual Property now owned or hereafter acquired by such Loan Party and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof and (B) an irrevocable license (without payment of rent or other compensation to such Loan Party) to use, operate and occupy all real property owned, operated, leased, subleased or otherwise occupied by such Loan Party. The appointment of Lender as each Loan Party's attorney in fact is a power coupled with an interest and is irrevocable until the Termination Date. Notwithstanding anything to the contrary contained in this Section 8.2, Lender shall not be required to obtain the consent of any Lender to take any action to protect, preserve or take possession of any Collateral that is subject to an Exigent Circumstance.

**8.3 Application of Proceeds.** Proceeds from any Transfer of the Collateral, including, without limitation, the Intellectual Property (other than Permitted Dispositions) and all payments made to or Proceeds of Collateral, including, without limitation, Intellectual Property received by Lender during the continuance of an Event of Default shall be applied as follows: (a) first, to pay all fees, costs, indemnities, reimbursements and expenses then due to Lender under the Loan Documents in its capacity as Lender under the Loan Documents, until paid in full in cash, (b) second, to pay all fees, costs, indemnities, reimbursements and expenses then due to Lenders under the Loan Documents, until paid in full in cash, (c) third, to pay all interest on the Loans then due to Lender (other than interest, fees, expenses and other amounts accrued after the commencement of any proceeding referred to in Section 8.1(g) if a claim for such amounts is not allowable in such proceeding), until paid in full in cash, (d) fourth, to pay all principal on the Loans then due to Lender, until paid in full in cash, (e) fifth, to pay all other Obligations then due to Lender (including, without limitation, all interest, fees, expenses and other amounts accrued after the commencement of any proceeding referred to in Section 8.1(g) whether or not a claim for such amounts is allowable in such proceeding), until paid in full in cash, and (f) sixth, to Borrower or as otherwise required by any Requirement of Law. Borrower shall remain fully liable for any deficiency. Each Loan Party irrevocably waives the right to direct the application during the continuance of an Event of Default of any and all payments in respect of any Obligation and any proceeds of Collateral, including, without limitation, the Intellectual Property.

## 9. MISCELLANEOUS.

### 9.1 Assignment.

(a) Lender may sell, transfer or assign, at any time or times, all or a portion of its rights and obligations hereunder and under the other Loan Documents. In the event any Lender assigns or otherwise transfers all or any part of the Loan, Borrower shall, upon the assignee's or the assignor's request, execute new Notes in exchange for the Note, if any, being assigned. Lender may amend Schedule A to this Agreement to reflect assignments made in accordance with this Section 9.1.

---

(b) In addition to the other rights provided in this Section 9.1, Lender may, without notice to or consent from any other Person, sell participations to one or more Persons in or to all or a portion of its rights and obligations under the Loan Documents (including all of its rights and obligations with respect to the Loan); provided, however, that, whether as a result of any term of any Loan Document or of such participation, (i) no such participant shall have a commitment, or be deemed to have made an offer to commit, to make any Loan hereunder, and, no such participant shall be liable for any obligation of such Lender hereunder, (ii) such Lender's rights and obligations, and the rights and obligations of the Loan Parties towards Lender, under any Loan Document shall remain unchanged and each other party hereto shall continue to deal solely with such Lender, which shall remain the holder of the Obligations, and in no case shall a participant have the right to enforce any of the terms of any Loan Document, and (iii) the consent of such participant shall not be required (either directly, as a restraint on Lender's ability to consent hereunder or otherwise) for any amendments, waivers or consents with respect to any Loan Document or to exercise or refrain from exercising any powers or rights Lender may have under or in respect of the Loan Documents (including the right to enforce or direct enforcement of the Obligations), except for those described in clauses (ii), (iii) and (iv) of Section 9.6(a).

(c) In addition to the other rights provided in this Section 9.1, each Lender may grant a security interest in, or otherwise assign as collateral, any of its rights under this Agreement, whether now owned or hereafter acquired (including rights to payments of principal or interest on the Loans), to (A) any federal reserve bank (pursuant to Regulation A of the Federal Reserve Board), without notice to Lender or (B) any holder of, or trustee for the benefit of the holders of, such Lender's Indebtedness or equity securities, by notice to Lender; provided, however, that no such holder or trustee, whether because of such grant or assignment or any foreclosure thereon (unless such foreclosure is made through an assignment in accordance with clause (a) above), shall be entitled to any rights of such Lender hereunder and no such Lender shall be relieved of any of its obligations hereunder.

**9.2 Notices.** All notices or other communications given in connection with the Loan Documents shall be in writing, shall be addressed to the parties at their respective addresses set forth on the signature pages hereto below such parties' name or in the most recent Assignment Agreement executed by Lender (unless and until a different address may be specified in a written notice to the other party delivered in accordance with this Section 9.2), and shall be deemed given (a) on the date of receipt if delivered by hand, (b) on the date of sender's receipt of confirmation of proper transmission if sent by facsimile transmission, (c) on the next Business Day after being sent by a nationally-recognized overnight courier, (d) on the fourth Business Day after being sent by registered or certified mail, postage prepaid, (e) on the date of proper transmission if sent by electronic mail, provided that transmissions may be made by electronic mail only for notices or other communications if such transmission is specifically authorized in a Loan Document and such transmission is delivered in compliance with procedures of Lender applicable at the time and previously communicated to Borrower, or (f) on the later of the Business Day of such posting and the Business Day access to such posting is given to the recipient thereof in accordance with the standard procedures applicable to such E-System, if posted to any E-System approved by or set-up by or at the direction of Lender.

**9.3 Payment of Fees and Expenses.** Loan Parties agree, jointly and severally, to pay or reimburse upon demand all reasonable fees, costs and expenses incurred by Lender in connection with (a) the investigation, preparation, negotiation, execution, administration of, or any amendment, modification, waiver or termination of, any Loan Document, (b) any legal advice relating to Lender's rights or responsibilities under any Loan Document, (c) the administration of the Loans and the facilities hereunder and any other transaction contemplated under any Loan Document and (d) the enforcement, assertion, defense or preservation of Lender's rights and remedies under the Loan Documents, including, without limitation, preparation for and/or response to any subpoena or request for document production relating thereto, in each case of clauses (a) through (d), including, without limitation, reasonable attorneys' fees and expenses, reasonable fees and expenses of consultants, auditors (including internal auditors) and appraisers, internal audit reviews and field examinations (subject to the terms of this Agreement) and UCC and other corporate search and filing fees and wire transfer fees. Each Loan Party further agrees that such fees, costs and expenses shall constitute Obligations.

**9.4 Indemnity.** Each Loan Party agrees, jointly and severally, to indemnify, hold harmless and defend Lender and its Related Persons (each an "Indemnitee") from and against all liabilities, losses, damages, expenses, penalties, claims, actions and suits (including, without limitation, related reasonable attorneys' fees and

expenses) of any kind whatsoever arising, directly or indirectly, that may be imposed on, incurred by or asserted against such Indemnitee as a result of or in connection with any Loan Documents, any E-System, or any of the transactions contemplated hereby or thereby, including, without limitation, any actual or prospective investigation, litigation or other proceeding, whether or not brought by any such Indemnitee or any of its Related Persons or whether or not any such Person is a party thereto (the “Indemnified Liabilities”); provided that, no Loan Party shall have any obligation to any Indemnitee with respect to any Indemnified Liabilities to the extent such Indemnified Liabilities arise from the gross negligence or willful misconduct of such Indemnitee as determined by a final non-appealable judgment of a court of competent jurisdiction. In no event shall any Indemnitee be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings). Each Loan Party waives, releases and agrees (and shall cause each other Loan Party to waive, release and agree) not to sue upon any such claim for any special, indirect, consequential or punitive damages, whether or not accrued and whether or not known or suspected to exist in its favor.

**9.5 Rights Cumulative.** Lender’s rights and remedies under the Loan Documents or otherwise arising are cumulative and may be exercised singularly or concurrently. Neither the failure nor any delay on the part of Lender to exercise any right, power or privilege under any Loan Document shall operate as a waiver, nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise of that or any other right, power or privilege. LENDER SHALL NOT BE DEEMED TO HAVE WAIVED ANY OF ITS RESPECTIVE RIGHTS UNDER ANY LOAN DOCUMENT OR UNDER ANY OTHER AGREEMENT, INSTRUMENT OR PAPER SIGNED BY A LOAN PARTY UNLESS SUCH WAIVER IS EXPRESSED IN WRITING AND SIGNED BY LENDER. A waiver on any one occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion.

**9.6 Amendments, Waivers.** No amendment or waiver of any provision of any Loan Document, and no consent with respect to any departure by any Loan Party therefrom, shall be effective unless the same shall be in writing and signed by Lender and Borrower.

**9.7 Performance.** Time is of the essence of the Loan Documents.

**9.8 Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided that any assignment by any Lender shall be subject to the provisions of Section 9.1, and provided further that no Loan Party may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of Lender. No other Person shall be deemed a third party beneficiary of this Agreement. This Agreement shall continue in full force and effect until the Termination Date; provided, however, that the provisions of this Section 9.8 and Sections 9.3, 9.4, 9.10, 9.11 and 9.12 and the other indemnities contained in the Loan Documents shall survive the Termination Date. The surrender, upon payment or otherwise, of any Note or any other Loan Document evidencing any of the Obligations shall not affect the right of Lender to retain the Collateral for such other Obligations as may then exist or as it may be reasonably contemplated will exist in the future. To the extent Lender receives any payment in respect of the Obligations and such payment is subsequently, in whole or in part, invalidated, declared to be fraudulent or preferential, set aside or otherwise required to be paid to any other Person, then to the extent of such recovery, the Obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor, shall be revived and continued in full force and effect as if such payment had not occurred.

**9.9 Creditor-Debtor Relationship.** The relationship between Lender, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. Lender has no fiduciary relationship or duty to any Loan Party arising out of or in connection with, and there is no agency, tenancy or joint venture relationship between Lender and Loan Parties by virtue of, any Loan Document or any transaction contemplated herein or therein.

**9.10 Governing Law.** This Agreement and the other Loan Documents shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, excluding conflict of laws principles that would cause the application of laws of any other jurisdiction.

**9.11 Consent to Jurisdiction and Venue.** All judicial proceedings (to the extent that the reference requirement of Section 9.11 is not applicable) arising in or under or related to this Agreement or any of the other Loan Documents may be brought in any state or federal court located in the State of Texas. By execution and delivery of this Agreement, each party hereto generally and unconditionally: (a) consents to nonexclusive personal

jurisdiction in Travis County, State of Texas; (b) waives any objection as to jurisdiction or venue in Travis County, State of Texas; (c) agrees not to assert any defense based on lack of jurisdiction or venue in the aforesaid courts; and (d) irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement or the other Loan Documents. Service of process on any party hereto in any action arising out of or relating to this Agreement shall be effective if given in accordance with the requirements for notice set forth in Section 9.2, and shall be deemed effective and received as set forth in Section 9.2. Nothing herein shall affect the right to serve process in any other manner permitted by law or shall limit the right of either party to bring proceedings in the courts of any other jurisdiction.

#### **9.12 Mutual Waiver of Jury Trial / Judicial Reference.**

(a) Because disputes arising in connection with complex financial transactions are most quickly and economically resolved by an experienced and expert Person and the parties wish applicable state and federal laws to apply (rather than arbitration rules), the parties desire that their disputes be resolved by a judge applying such applicable laws. EACH OF BORROWER AND LENDER SPECIFICALLY WAIVES ANY RIGHT IT MAY HAVE TO TRIAL BY JURY OF ANY CAUSE OF ACTION, CLAIM, CROSS-CLAIM, COUNTERCLAIM, THIRD PARTY CLAIM OR ANY OTHER CLAIM (COLLECTIVELY, "CLAIMS") ASSERTED BY BORROWER AGAINST LENDER OR ITS ASSIGNEE OR BY LENDER OR ITS ASSIGNEE AGAINST BORROWER. This waiver extends to all such Claims, including Claims that involve Persons other than Borrower and Lender; Claims that arise out of or are in any way connected to the relationship among Borrower and Lender; and any Claims for damages, breach of contract, tort, specific performance, or any equitable or legal relief of any kind, arising out of this Agreement or any other Loan Document.

(b) In the event Claims are to be resolved by judicial reference, either party may seek from a court identified in Section 9.12, any prejudgment order, writ or other relief and have such prejudgment order, writ or other relief enforced to the fullest extent permitted by law notwithstanding that all Claims are otherwise subject to resolution by judicial reference.

**9.13 Confidentiality.** Lender agrees to use all reasonable efforts to maintain, in accordance with its customary practices, the confidentiality of information obtained by it pursuant to any Loan Document and designated in writing by any Loan Party as confidential, except that such information may be disclosed (a) with Borrower's consent, (b) to Lender's or Lender's Related Persons, as the case may be, that are advised of the confidential nature of such information and are instructed to keep such information confidential in accordance with the terms hereof, (c) to the extent such information presently is or hereafter becomes (i) publicly available other than as a result of a breach of this Section 9.13 or (ii) available to Lender or any of its Related Persons, as the case may be, from a source (other than any Loan Party) not known by them to be subject to disclosure restrictions, (d) to the extent disclosure is required by any applicable Requirements of Law, or other legal, administrative, governmental or regulatory request, order or proceeding or otherwise requested or demanded by any Governmental Authority, (e) to current or prospective assignees or participants and to their respective Related Persons, in each case to the extent such assignees, participants or Related Persons agree to be bound by provisions substantially similar to the provisions of this Section 9.12 (and such Persons may disclose information to their respective Related Persons in accordance with clause (b) above), (h) to any other party hereto, and (i) in connection with the exercise or enforcement of any right or remedy under any Loan Document, in connection with any litigation or other proceeding to which Lender or any of its Related Persons is a party or bound, or to the extent necessary to respond to public statements or disclosures by Loan Parties or their Related Persons referring to a Lender or any of its Related Persons. In the event of any conflict between the terms of this Section 9.12 and those of any other contractual obligation entered into with any Loan Party (whether or not a Loan Document), the terms of this Section 9.13 shall govern.

**9.14 USA Patriot Act.** Lender hereby notifies Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow Lender to identify each Loan Party in accordance with the Patriot Act.

**9.15 Severability.** Any provision of any Loan Document being held illegal, invalid or unenforceable in any jurisdiction shall not affect any part of such provision not held illegal, invalid or unenforceable, any other provision of any Loan Document or any part of such provision in any other jurisdiction.

---

**9.16 Entire Agreement; Counterparts; Construction.** The Loan Documents constitute the entire agreement of the parties and supersede all prior agreements and understandings (whether written, verbal or implied) with respect to the subject matter thereof (including, without limitation, any proposal letter or confidentiality agreement between the parties hereto or any of their respective Affiliates relating to a financing of substantially similar form, purpose or effect). Section headings contained in this Agreement have been included for convenience only, and shall not affect the construction or interpretation of this Agreement. This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. Delivery of an executed signature page of this Agreement by facsimile transmission or electronic transmission shall be as effective as delivery of a manually executed counterpart hereof. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement

**9.17 Duty of Lender With Respect to Collateral; Marshaling.** Lender's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession shall be to deal with it in a reasonable manner and as Lender deals with similar property for its own account. The powers conferred on Lender hereunder are solely to protect Lender's interest in the Collateral and shall not impose any duty upon Lender to exercise any such powers. Lender shall be accountable only for amounts that it receives as a result of the exercise of such powers, and neither Lender nor any Indemnitee shall be responsible to any Loan Party for any act or failure to act hereunder, except for their own gross negligence or willful misconduct as finally determined by a non-appealable judgment of a court of competent jurisdiction. In addition, Lender shall not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by reason of the act or omission of any warehousemen, carrier, forwarding agency, consignee or other bailee if such Person has been selected by Lender in good faith. Lender may (but shall not be obligated to) pay taxes on behalf of any Loan Party, satisfy any Liens against the Collateral (other than Permitted Liens), purchase insurance to protect Lender's and Lenders' interest if Loan Parties fail to maintain the insurance required hereunder and may pay for the maintenance, insurance, protection and preservation of the Collateral and effect compliance with the terms of any Loan Document. Each Loan Party agrees to reimburse Lender, on demand, for all costs and expenses incurred by Lender in connection with such payment or performance and agrees that such amounts shall constitute Obligations. Each Loan Party hereby (a) waives any right under the UCC or any other applicable Requirement of Law to receive notice and/or copies of any filed or recorded financing statements, amendments thereto, continuations thereof or termination statements and (b) releases and excuses Lender and each Lender from any obligation under the UCC or any other applicable law to provide notice or a copy of any such filed or recorded documents. Lender shall be under no obligation to marshal any property in favor of any Loan Party or any other Person or against or in payment of any Obligation.

**9.18 Joint and Several; Waiver of Defense.** The obligations of the Loan Parties under the Loan Documents are joint and several. Each Loan Party waives (a) any suretyship defenses available to it under the UCC or any other applicable Requirement of Law, and (b) any right to require Lender to proceed against any other Loan Party or any other Person, proceed against or exhaust any security, or pursue any other remedy. Lender may exercise or not exercise any right or remedy they have against any Loan Party, any Collateral or any other security (including the right to foreclose by judicial or non-judicial sale) without affecting any other Loan Party's liability. Notwithstanding any other provision of any Loan Document, each Loan Party irrevocably waives all rights that it may have under any Requirement of Law or in equity (including, without limitation, any Requirement of Law subrogating any Loan Party to the rights of Lender under any Loan Document) to seek contribution, indemnification or any other form of reimbursement from any other Loan Party, or any other Person now or hereafter primarily or secondarily liable for any of the Obligations, for any payment made by any Loan Party with respect to the Obligations in connection with any Loan Document or otherwise and all rights that it might have to benefit from, or to participate in, any security for the Obligations as a result of any payment made by any Loan Party with respect to the Obligations in connection with any Loan Document or otherwise. Any agreement providing for indemnification, reimbursement or any other arrangement prohibited under this Section shall be null and void. If any payment is made to a Loan Party in contravention of this Section, such Loan Party shall hold such payment in trust for Lender and such payment shall be promptly delivered to Lender for application to the Obligations, whether matured or unmatured.

9.19 **Revival of Obligations.** This Agreement and the Loan Documents shall remain in full force and effect and continue to be effective if any petition is filed by or against Borrower for liquidation or reorganization, if Borrower becomes insolvent or makes an assignment for the benefit of creditors, if a receiver or trustee is appointed for all or any significant part of Borrower's assets, or if any payment or transfer of Collateral is recovered from Lender. The Loan Documents and the Obligations and Collateral security shall continue to be effective, or shall be revived or reinstated, as the case may be, if at any time payment and performance of the Obligations or any transfer of Collateral to Lender, or any part thereof is rescinded, avoided or avoidable, reduced in amount, or must otherwise be restored or returned by, or is recovered from, Lender or by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment, performance, or transfer of Collateral had not been made.
